“CRONULLA LIONS -OPERATION FARM RELIEF”

“Donations needed urgently”

“We need your help to raise essential funds to provide urgent assistance to the drought stricken farmers of rural NSW that have been crippled by one of the worst droughts in recorded history.

The **Cronulla Lions Club** is partnering with the Gunnedah Lions Club to direct our much needed disaster relief such as feed and water for livestock to the most drought affected areas.

Please give generously to this immediate and worthwhile cause. The Lions Clubs of Australia funds its administrative costs by our members, so you can be certain that 100% of your donations will be applied on the front lines of this crisis. Our farmers need our help now, but we know that

Australians will pull together for those most desperately in need!

When it costs \$20,000 to put one truck’s worth of feed into the worst affected areas, the time to act is now!
